

COMMON FACTOR

Milliken[™]

A CONTINUOUS RANDOM[®] COLLECTION

SHIPS WITHIN 3 WEEKS | LOW MINIMUM CUSTOMS

Introducing Common Factor, available in 5 patterns and 6 colors. Experience the collection's unrivaled creative freedom made possible by Continuous Random®, a Milliken innovation. Common Factor patterns offer a range of design styles & scales, thus providing a more diverse offering. The variety of unique tiles are precision edge matched so the pattern can flow endlessly, without added complexity.

➤ **PROCUREMENT**

Single SKU concept simplifies procurement and reduces attic stock quantities.

➤ **DESIGN**

Each tile in single SKU has pattern variation with precision-matched edges. This allows them to be laid out in any order with continuous flow.

➤ **OWNER/OPERATOR**

Quick to install and easy to maintain, our cushion-backed carpet tiles enhance performance, protect against moisture, and optimize acoustics for your space.

POWERLINES/QUICKSHIP

Streamline project planning with fast track delivery. Common Factor products ship in 3 weeks or less, making it an ideal choice for accelerated timelines.

MODIFIED STANDARD

If Milliken's standard offerings don't suit your project, we can work together to customize the product color for orders over 100 SY. Additionally, our Printworks™ technology can translate any pattern and color combination to a variety of base textures and price points.

Milliken™ FOR HUMANKIND.

RED LIST FREE

Healthy materials are the foundation for effective circularity, reducing community pollution and cleaner living for all.

- The Living Building Challenge Red List contains the “worst in class” materials, chemicals and elements known to pose serious risks to human health and the greater ecosystem.
- Red List Free certification is the absence of Red List chemicals in building and home furnishings.
- Our products have been completely vetted and verified to contain no Red List Chemicals at levels at or above 100 ppm or 0.01 percent.
- Affords superior recycling potential of clean-based products.

Achieving LBC Red List Free is a commitment to significantly cut down on the output and use of harmful chemicals. It reflects our company’s prioritization on human health and ensuring a brighter future for generations to come.

M/PACT™ Carbon Neutral Product

Climate change is one of the greatest threats facing humanity. That’s why our carpet, resilient & entrance flooring tiles are carbon neutral everywhere in the world. Let’s work together for a better tomorrow.

Sustainable features

Common Factor print tile is manufactured with WellBAC® Comfort Plus backing, and is certified NSF-140 Gold with 35.9% pre-consumer recycled content by total weight. Made in the USA, **Common Factor** is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

M/PACT™ CARBON NEUTRAL PROGRAM

M/PACT carbon neutral products offset the raw materials and manufacturing carbon footprint* by using 3rd party Verified Carbon Standard Credits that support renewable energy and carbon reduction technologies to help fight climate change. When you choose M/PACT products, you can be sure your choice is carbon neutral.

SHOWN ON THE COVER

(Front) Frequency in Copper FRQ180-169-27. Continuous Random. 1m x 1m tiles. (Back) Frequency in Charcoal FRQ180-174. Continuous Random. 1m x 1m tiles.

* As calculated and verified scope A1-3 GWP through a ISO14025/ISO14040 compliant LCA and published in third party EPDs.

* Images in this brochure are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
