

UNIVERSAL TRANSITION STRIP *Milliken*

DESCRIPTION

Designed to combine, Milliken's Universal Transition Strip allows seamless transition between a full range of products with no visible steps or edges. Transitions of up to 7mm are possible using the pre-formed score lines to cut the ramp to the required size, protecting the carpet edge whilst reducing the risk of trip hazard.

SPECIFICATION

Material ID	3000119869
Material	PVC
Gauge	Max 7mm
Profile Width	200mm
Unit Length	1000mm
Colour	Black
Unit Weight	1.2kg
Quantity per box	10
Adhesive fix	As per manufacturers instructions
