

Milliken® Liquitint®

Colorants for Car Wash Applications

A unique technology developed by Milliken Chemical for household and industrial applications.

Liquitint Colorants

- Homogenous liquid, making them easy to handle and disperse
- Bright colors
- Non-Staining
- Water soluble
- Not harmful to the environment when used as intended

Please contact your Milliken representative for further product information including chemical registrations, food contact status, and other regulatory details.

PLEASE NOTE: As each customer's use of our product may be different, information we provide, including without limitation, recommendations, test results, samples, care/labeling/processing instructions or marketing advice, is provided in good faith but without warranty and without accepting any responsibility/liability. Each customer must test and be responsible for its own specific use, further processing, labeling, marketing, etc. All sales are exclusively subject to our standard terms of sale posted at www.milliken.com/terms (all additional/different terms are rejected) unless explicitly agreed otherwise in a signed writing.
