* This is a multi-tiles design.

The image features a complex, abstract background with a marbled texture. The primary colors are various shades of teal and turquoise, ranging from deep, dark blues to lighter, almost white highlights. Interspersed throughout the teal are fine, shimmering particles of gold or yellow, creating a sparkling effect. The overall pattern is organic and fluid, with swirling, vein-like structures that resemble natural stone or liquid marbling. In the center of the image, the word "ABSTRACT" is written in large, bold, uppercase letters. The letters themselves are a dark teal color and have a slight 3D effect, appearing to sit on top of the background. The background behind the letters is a lighter, more uniform teal, which makes the text stand out clearly.

The image features a watercolor-style background with various floral and leaf-like shapes in shades of green, yellow, orange, red, purple, and pink. The word "FLORAL" is prominently displayed in the center in a bold, blocky font. The letters are filled with a mix of colors from the background, including purple, orange, and brown, and have a slight drop shadow effect.
