

Flexform Sound™

PREMIUM HARD FLOORING CUSHION BACKING

Art, backed by science.

Milliken delivers the quietest hard flooring solution in the industry. Flexform Sound™ construction incorporates a compact cushion layer to reduce impact sound. This innovative layer can reduce impact sound by up to 17dB (compared to <5dB for standard LVT).

THE QUIETEST

- Acoustic Backing layer reduces in-room and floor to floor sound transmission by 50%.

DIVERSE INSTALLATION METHODS

- Multiple installation effects can be achieved such as the use of zoning through a particular color.

SEAMLESS COORDINATION

- The Flexform Sound™ platform is designed to work together with Milliken's extensive carpet offering. The metric tile size, along with the overall thickness, allows for seamless coordination.

WEAR LAYER

- Heavy commercial grade 0.55mm transparent wear layer protects the print visuals and ensures that the product performs in heavy foot traffic.

PROGUARD MAX™ REINFORCED COATING

Integrated surface technology provides best in class scratch & stain resistance and eliminates the need for additional finishes or harsh chemical treatments.

WEAR LAYER

Heavy commercial grade 0.55mm transparent wear layer protects the print visuals and ensures that the product performs in heavy foot traffic.

PRINTED LAYER

State of the art printing technology provides authentic visuals and designs.

INTEGRAL SOUND ABSORPTION LAYER

Provides improved acoustical performance and supports comfort underfoot.

STABILIZING LAYER

Supports dimensional stability.

HIGH PERFORMANCE CORE LAYER

Ensures excellent durability, stability and long term performance.

BACKING LAYER

Engineered balance layer provides stability and durability of the product.

INTEGRAL ACOUSTIC BACKING

Pre-attached underlayment minimizes sound, is shock absorbent and provides comfort underfoot.

PROGUARD MAX™

*An integrated & premium surface technology that provides best in class scratch and stain resistance. Scratch and scuff resistance.

WATERPROOF

*Easy to clean with damp mop

SUSTAINABILITY

*Certified to the most stringent global environmental standards.

*Carbon Neutral

*Declare 100% transparency in materials

*Phthalate Free

PHthalate FREE

*100% recyclable
