COLLECTION BY VIRGINIA LANGLEY

AMARI

A note from the designer:

“ Inspired by the vast oceans of our natural world. In Sanskrit, Amari means eternal. Like the spirals to a nautilus shell and as the ever-flowing to and fro of the waves upon the shore. The immortal waters that wash and shape the continents far and wide. Vivid in hues and wondrous, with depths to the unknown. ”

Milliken™ FOR HUMANKIND.

RED LIST FREE

Healthy materials are the foundation for effective circularity, reducing community pollution and cleaner living for all.

- The Living Building Challenge™ Red List contains the “worst in class” materials, chemicals and elements known to pose serious risks to human health and the greater ecosystem.
- Red List Free certification is the absence of Red List chemicals in building and home furnishings.
- Our products have been completely vetted and verified to contain no Red List Chemicals at levels at or above 100 ppm or 0.01 percent.
- Affords superior recycling potential of clean-based products.

Achieving LBC Red List Free is a commitment to significantly cut down on the output and use of harmful chemicals. It reflects our company’s prioritization on human health and ensuring a brighter future for generations to come.

M/PACT™ Carbon Neutral Product

Climate change is one of the greatest threats facing humanity. That’s why our modular flooring products are carbon neutral everywhere in the world. Let’s work together for a better tomorrow.
