Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including modular and LVT Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release.

WARRANTIES

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product lifecycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001 certified.

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.

Weight Per Box - 21.9 kg/20.54 kg/24.52 kg	Castor Chair Resistance (ISO 4918) - Pass
Quantity Per Box - 2.25 m ² /2.09 m ² /2.51 m ²	Flexibility (ISO 24344) - Pass
Critical Radiant Flux (ISO 9239-1) - ≥4.5kW/m²	Installation - Glue Down
Smoke Rate (ISO 9239-1) - <750%.min	Warranty - 15 Year Limited Commercial Wear Warranty

URBAN THEORY

Construction - High Performance FlexForm™ LVT

Finish - ProGuard™ Reinforced Polyurethane Coating

Wear Layer Thickness - 22 mil (0.55 mm)

Overall Thickness - 0.244" (2.5 mm)

Size - 7.25"x 48" (184.15 x 1219.2 MM)
18"x 36" (457.2 x 914.4 MM)

Pieces Per Box - 16/12*

Weight Per Box - 16.1 kg/22.4kg

Quantity Per Box - 3.59 m²/5.02 m²

Critical Radiant Flux (ISO 9239-1) - ≥4.5kW/m²

Smoke Rate (ISO 9239-1) - <750%.min

Use Classification (ISO 10582) - Class 33 Heavy Commercial

Colour Fastness to Light (ISO 105-B02) - ≥6

Slip Resistance (DIN 51130) - R10

Dimensional Stability (ISO 23999) - ≤0.25 % ; Curl ≤2 mm

Resistance to Chemicals (ASTM F925) - Pass

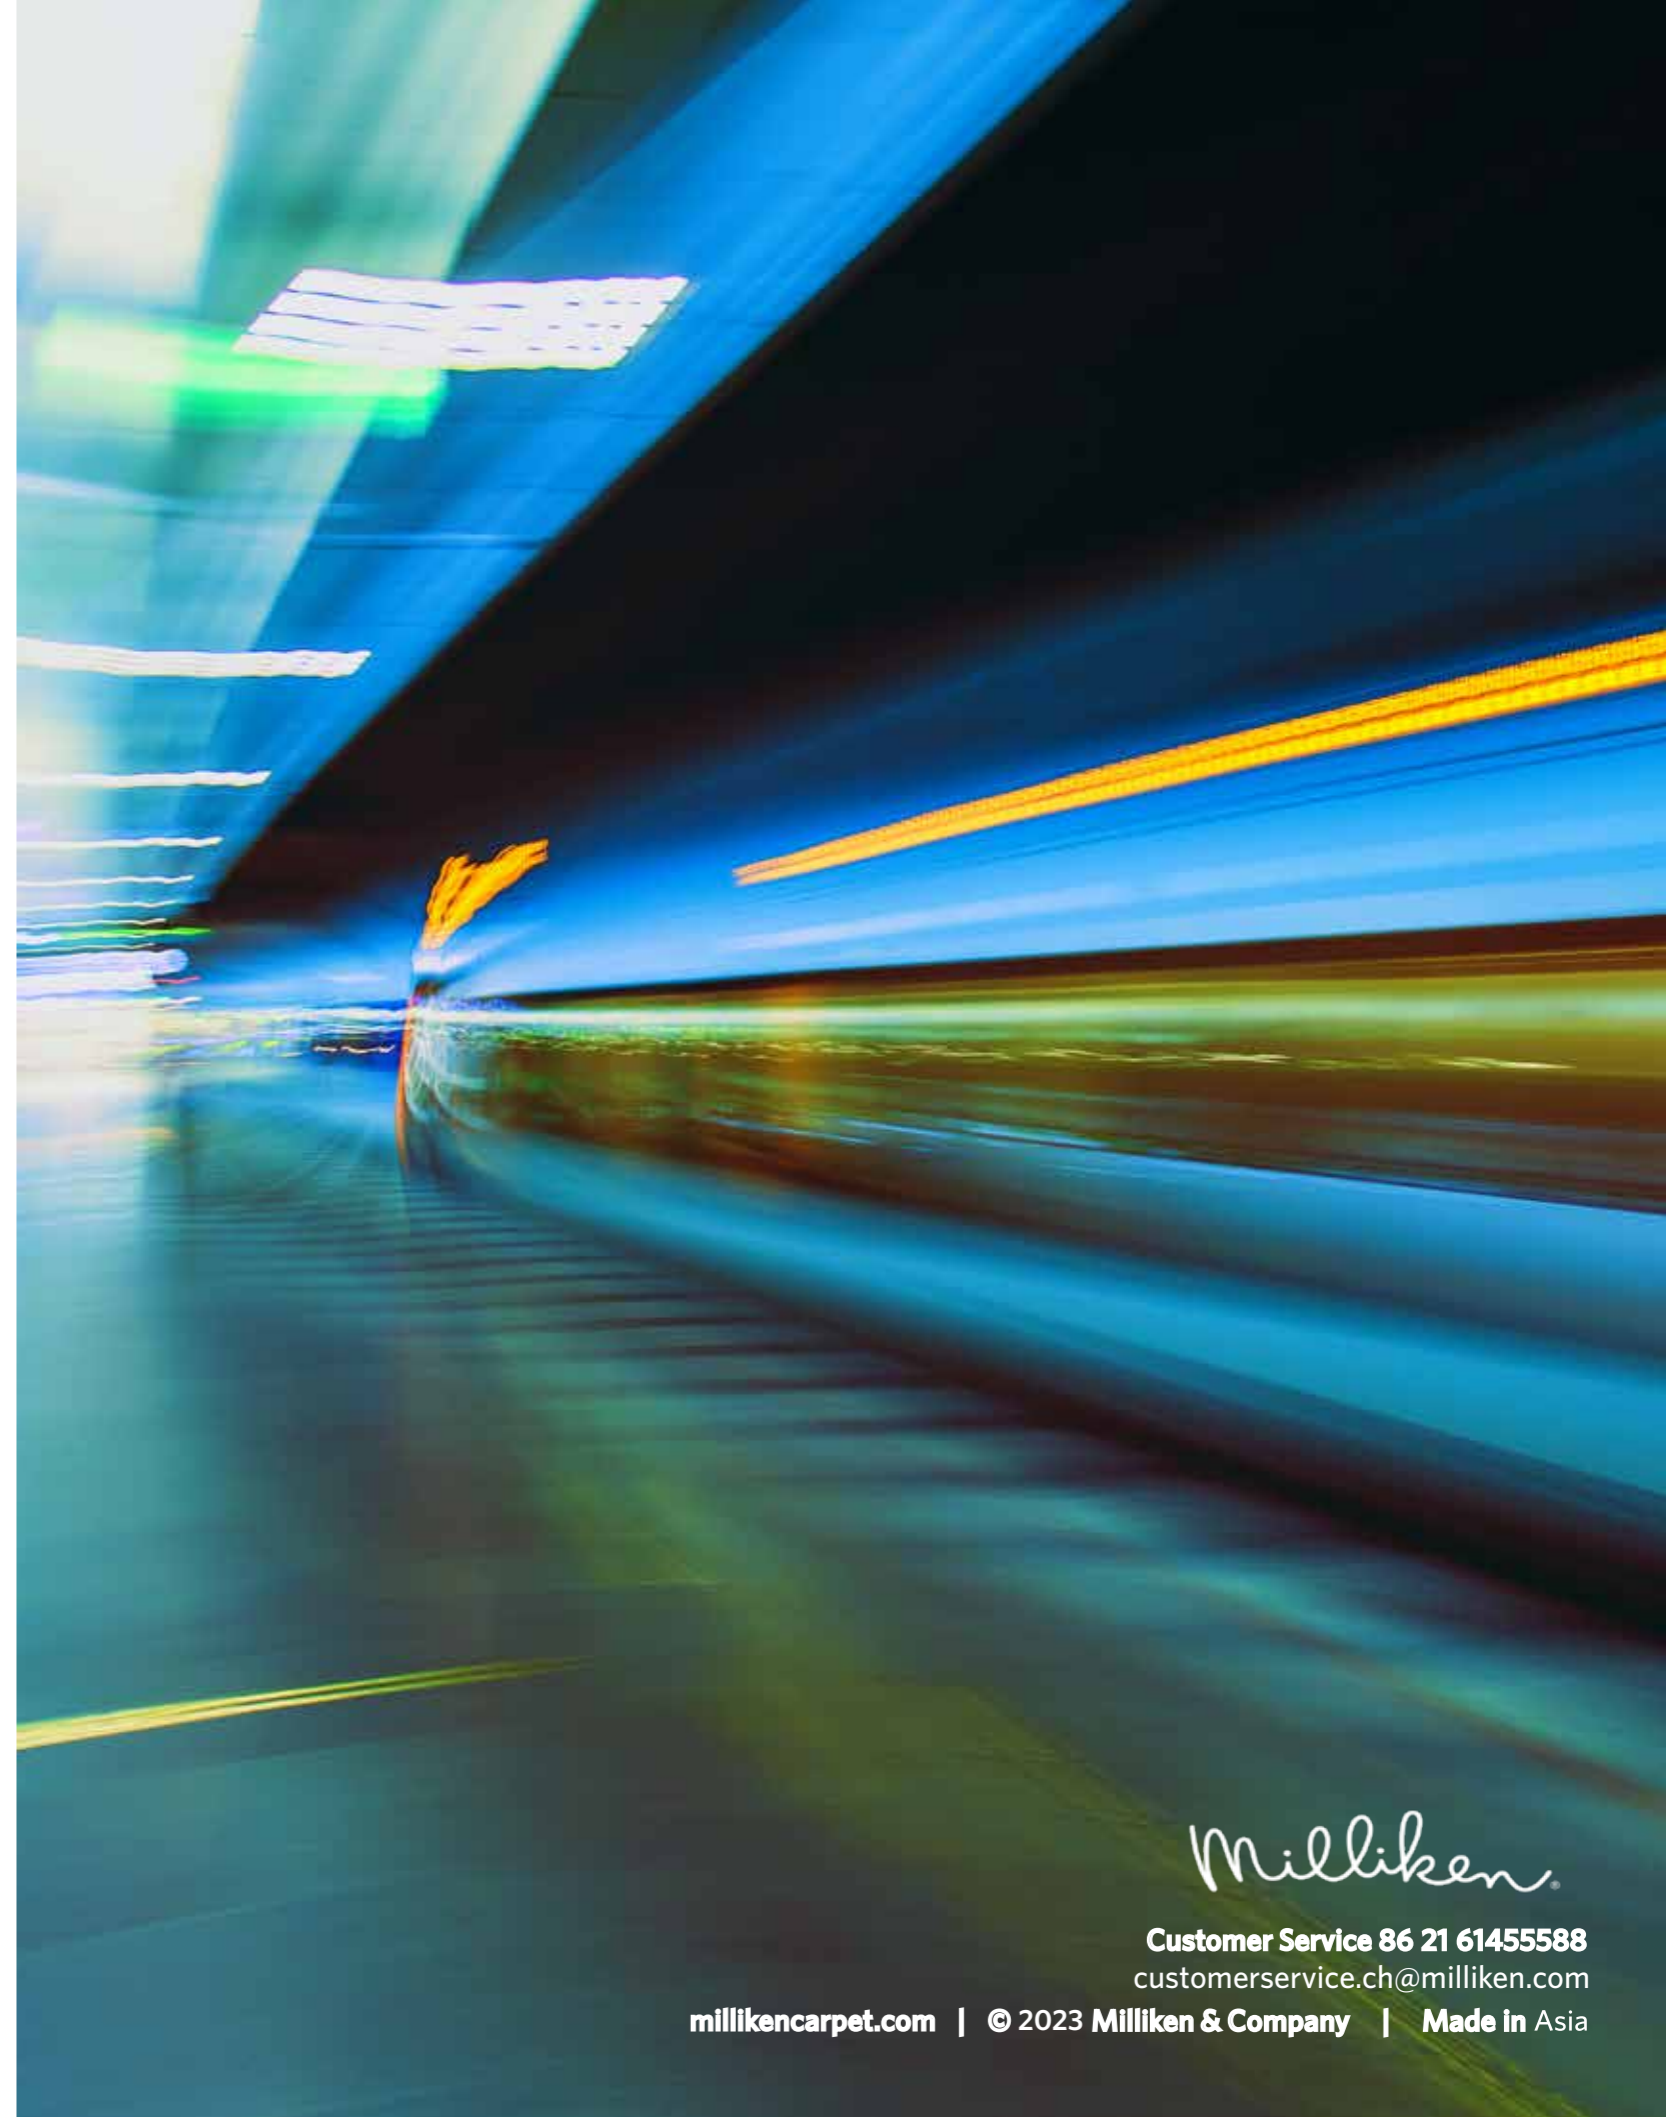

Residual Indentation (ISO 24343-1) - ≤0.1 mm

Castor Chair Resistance (ISO 4918) - Pass

Flexibility (ISO 24344) - Pass

Installation - Glue Down

Warranty - 15 Year Limited Commercial Wear Warranty
