

NEW NONWOVEN PRODUCT

TUF PET

CAPABILITIES

INNOVATION IS NEVER IN NEUTRAL HERE

FLOORS / MATS

We excel from the ground up with floors and mats.

UNDERBODY

We leave the competition in the dust with shields and wheel liners.

CARGO

Our trunks, load floors, flipper panels, and deck slides go the distance.

SEATING

Our seat backs, trim, and door panels enhance your vehicle's style.

TUF PET NONWOVEN FLOORING

+ Increased Durability

TUF PET has greater abrasion resistance than current nonwoven and tufted nylon flooring options on the market.

+ Cost Competitive

TUF PET is a lower cost alternative flooring without sacrificing cleanability or durability.

+ Sustainability

TUF PET can also be manufactured with a minimum of 83% recycled content.

+ Superior Molded Aesthetics

TUF PET provides the clean appearance of a nonwoven, free from any bridging/cornrows that are synonymous with a tufted product.
