

# Milliken® Liquitint®

## Colorants for Car Wash Applications

A unique technology developed by Milliken Chemical for household and industrial applications.

### Liquitint Colorants

- Homogenous liquid, making them easy to handle and disperse
- Bright colors
- Non-Staining
- Water soluble
- Not harmful to the environment when used as intended

Please contact your Milliken representative for further product information including chemical registrations, food contact status, and other regulatory details.

PLEASE NOTE: As each customer's use of our product may be different, information we provide, including without limitation, recommendations, test results, samples, care/labeling/processing instructions or marketing advice, is provided in good faith but without warranty and without accepting any responsibility/liability. Each customer must test and be responsible for its own specific use, further processing, labeling, marketing, etc. All sales are exclusively subject to our standard terms of sale posted at [www.milliken.com/terms](http://www.milliken.com/terms) (all additional/different terms are rejected) unless explicitly agreed otherwise in a signed writing.
