GENERAL INFORMATION

Blazon[®] Spray Pattern Indicator is a non-staining blue liquid colorant designed to be used with pesticide, fertilizer and/or plant growth regulator tank mixes. Blazon provides visual assurance that these solutions are uniformly applied, with minimum overlap and no missed areas. Blazon helps to alert the operator to improper equipment operation and potentially unsafe application conditions.

BLAZON IS NOT PERMITTED FOR USE ON EDIBLE CROPS

DIRECTIONS FOR USE

Blazon Spray Pattern Indicator should be added to the spray tank after all other chemicals. Mild agitation is required after

the Blazon Blue Spray Pattern Indicator is added to the spray mix.

HEALTH HAZARD AND FIRST AID INFORMATION

Avoid contact with eyes and skin - may cause temporary irritation. In case of contact, flush eyes/skin with large amounts of water. If irritation persists, seek prompt medical attention. Do not ingest. In case of ingestion, drink copious amounts of water and seek prompt medical attention.

STORAGE AND DISPOSAL

Re-use of this container is not recommended. Small spills can be washed away with water. Large spills should be contained and salvaged. Disposal must comply with local, state and federal regulations.

KEEP OUT OF REACH OF CHILDREN

BLAZON[®] SPRAY PATTERN INDICATOR

- Reduces excessive overlap and misapplication of pesticides and fertilizers.
- Environmentally conscious.
- Increases the awareness during and after the application of hazardous chemicals.
- Color is temporary and easily dissipates with environmental exposure.
- Non-staining on skin, most clothing and hard surface applications.
- Cleans with soap and water.
- Aids in identifying optimal performance of equipment.
- Inert with most pesticides.
- Completely water soluble.
