Elevate Your Spaces, Enrich Guest Experiences.

Welcome to Milliken Flooring Solutions

At Milliken, join us on a transformative journey where innovation seamlessly blends with inspiration. Our flooring solutions cater meticulously to A&D specifiers, hotel owners, and management companies.

UNLEASH CREATIVE BRILLIANCE

Our cutting-edge flooring transcends boundaries, offering limitless design possibilities. Aesthetics, durability, and sustainability converge to redefine your design narrative.

TRANSFORM HOSPITALITY

Seamlessly blend vision and reality. From five-star elegance to boutique charm or themed retreats, our flooring integrates, elevating guest experiences with tailored solutions.

EFFICIENCY MEETS COMFORT

Designed to captivate and endure, our flooring meets modern hospitality demands without compromising style.

THE FUTURE
IS MODULAR

MODULAR LANDSCAPES

Step into a world of limitless design possibilities with Milliken's Modular Landscapes. Harnessing cutting-edge PrintWorks™ Precision Dye Technology, our carpets offer stunning patterns and over a million color combinations across planks, squares, and more. But it's not just about aesthetics - our commitment to sustainability is woven into every fiber, with carbon-neutral materials and Red List Free, PVC Free construction.

Embrace innovation and sustainability with Milliken Modular Landscapes - where style, functionality, and eco-consciousness converge seamlessly.

DESIGN VERSATILITY

01

IN-REGISTER PRINTING

We deliver meticulous dye placement on individual tiles with Milliken PrintWorks. Achieve a seamless floor integration without visual disruption or complex installations. Explore:

- Large Scale Patterns
- Medallions
- Wayfinding Solutions

CONTINUOUS RANDOM® DESIGN ARCHITECTURE

Introducing Continuous Random®, Milliken's revolutionary Modular Landscapes addition. Using PrintWorks™ technology, it delivers flawlessly aligned carpet tiles with fewer SKU variations, simplifying the procurement to maintenance process. Design centers blend with edges, offering limitless custom design possibilities while keeping a concise SKU range. Embrace natural randomness, fostering organic flow, and simplifying installation and repair tasks. Continuous Random raises the bar for modular carpets.

PRINTWORKS™ PRECISION DYE TECHNOLOGY

Experience stunning carpet patterns with PrintWorks™ Precision Dye Technology. From planks and squares to large-scale designs, fills, area rugs, and borders, our state-of-the-art innovation brings exceptional precision to every detail of your space.

ACOUSTIC INNOVATION

02

Discover the tranquility of spaces adorned with Milliken's industry-leading floors, renowned for their exceptional quietness. Our advanced acoustic technology, featured in both our carpets and FlexForm Sound™ LVT tiles, remarkably reduces in-room and through-floor noise by up to 50% compared to other flooring options.

MILLIKEN CUSHION BACKING ABSORBS UP TO 60% MORE NOISE THAN HARD BACK.

BUILT-IN ACOUSTIC LAYERS REDUCE THROUGH-FLOOR NOISE AND IN-ROOM NOISE BY 50%.

NOISE LEVEL FLEXFORM SOUND™ LVT, proven through independent testing, significantly reduces through-floor and in-room noise. This enhances quality of life in various sectors, promoting increased productivity in offices, better sleep experiences in hospitality, longer leases in residential settings, a healing environment in healthcare, and improved concentration in schools.

MILLIKEN MAKES THE QUIETEST FLOORS IN THE INDUSTRY.

OUR CUSHION BACKING COMES STANDARD ON ALL PRODUCTS, AND MEETS THE WELL BUILDING STANDARD.

WELLNESS:

In the hospitality industry, we recognize that ergonomics extends beyond typical office settings. Our Visual and Physical Ergonomics initiative prioritizes the well-being of staff, aiming to minimize physical strain and injuries, improve ergonomic comfort, maintain workplace safety, and enhance overall health through ergonomic design and education.

BENEFIT OF UNDERFOOT COMFORT:

Drawing inspiration from high-performance athletic shoes, our cutting-edge technology prioritizes the well-being of hotel staff, offering unmatched underfoot support ideal for their dynamic work environments. Utilizing open cell cushioning, our innovative approach significantly enhances comfort for employees who spend long hours on their feet, providing relief for knees, feet, backs, and ankles.

CUSHION BACKING
**REDUCES LEG
MUSCLE FATIGUE
BY UP TO 24%.**

MATERIAL EFFICIENCY

03

Our Modular Landscapes carpet tile offers a cost-effective solution, saving you up to 25% compared to broadloom. With minimal waste and hassle-free replacement, tiles ensure not only affordability but also sustainable and efficient flooring solutions, making the switch economical and environmentally conscious.

CASE STUDY: HAMPTON INN CORRIDOR UPGRADE IN THE US

Transforming a 6' corridor across three floors at International Hotel Chain:
Broadloom Used: 12' (600 Square Yards)
Carpet Tile Installed: 1M (523 Square Yards)

Results:
Waste Savings: 13%
Cost Savings: \$2,549.50
Carbon Savings: 400 trees planted

04

SIMPLE INSTALLATION AND EASY DELIVERY

MINIMIZE DOWNTIME, MAXIMIZE COST-EFFICIENCY

We offer custom 3D renderings of your space accompanied by detailed installation diagrams.

Our integrated tile sequencing system simplifies installation, enabling straightforward tile-to-tile replacement handled by your in-house staff. No additional pad is required, eliminating double adhesive costs.

Our products are carefully packed and shipped to align precisely with your property layout. Carpet tiles arrive on pallets for easy transport, access, and storage. Any additional stock can be conveniently stored in boxes rather than rolls.

TRACTIONBACK

TractionBack stands as our most advanced, built-in system for installing modular carpet. This remarkable bio-based, high-friction coating ensures the secure placement of our PVC-free carpet tiles without the need for extra adhesives, floor sealers, or primers. Applied during manufacturing, TractionBack eliminates the need for additional steps such as manipulation, taping, or gluing during installation.

M/PACT™

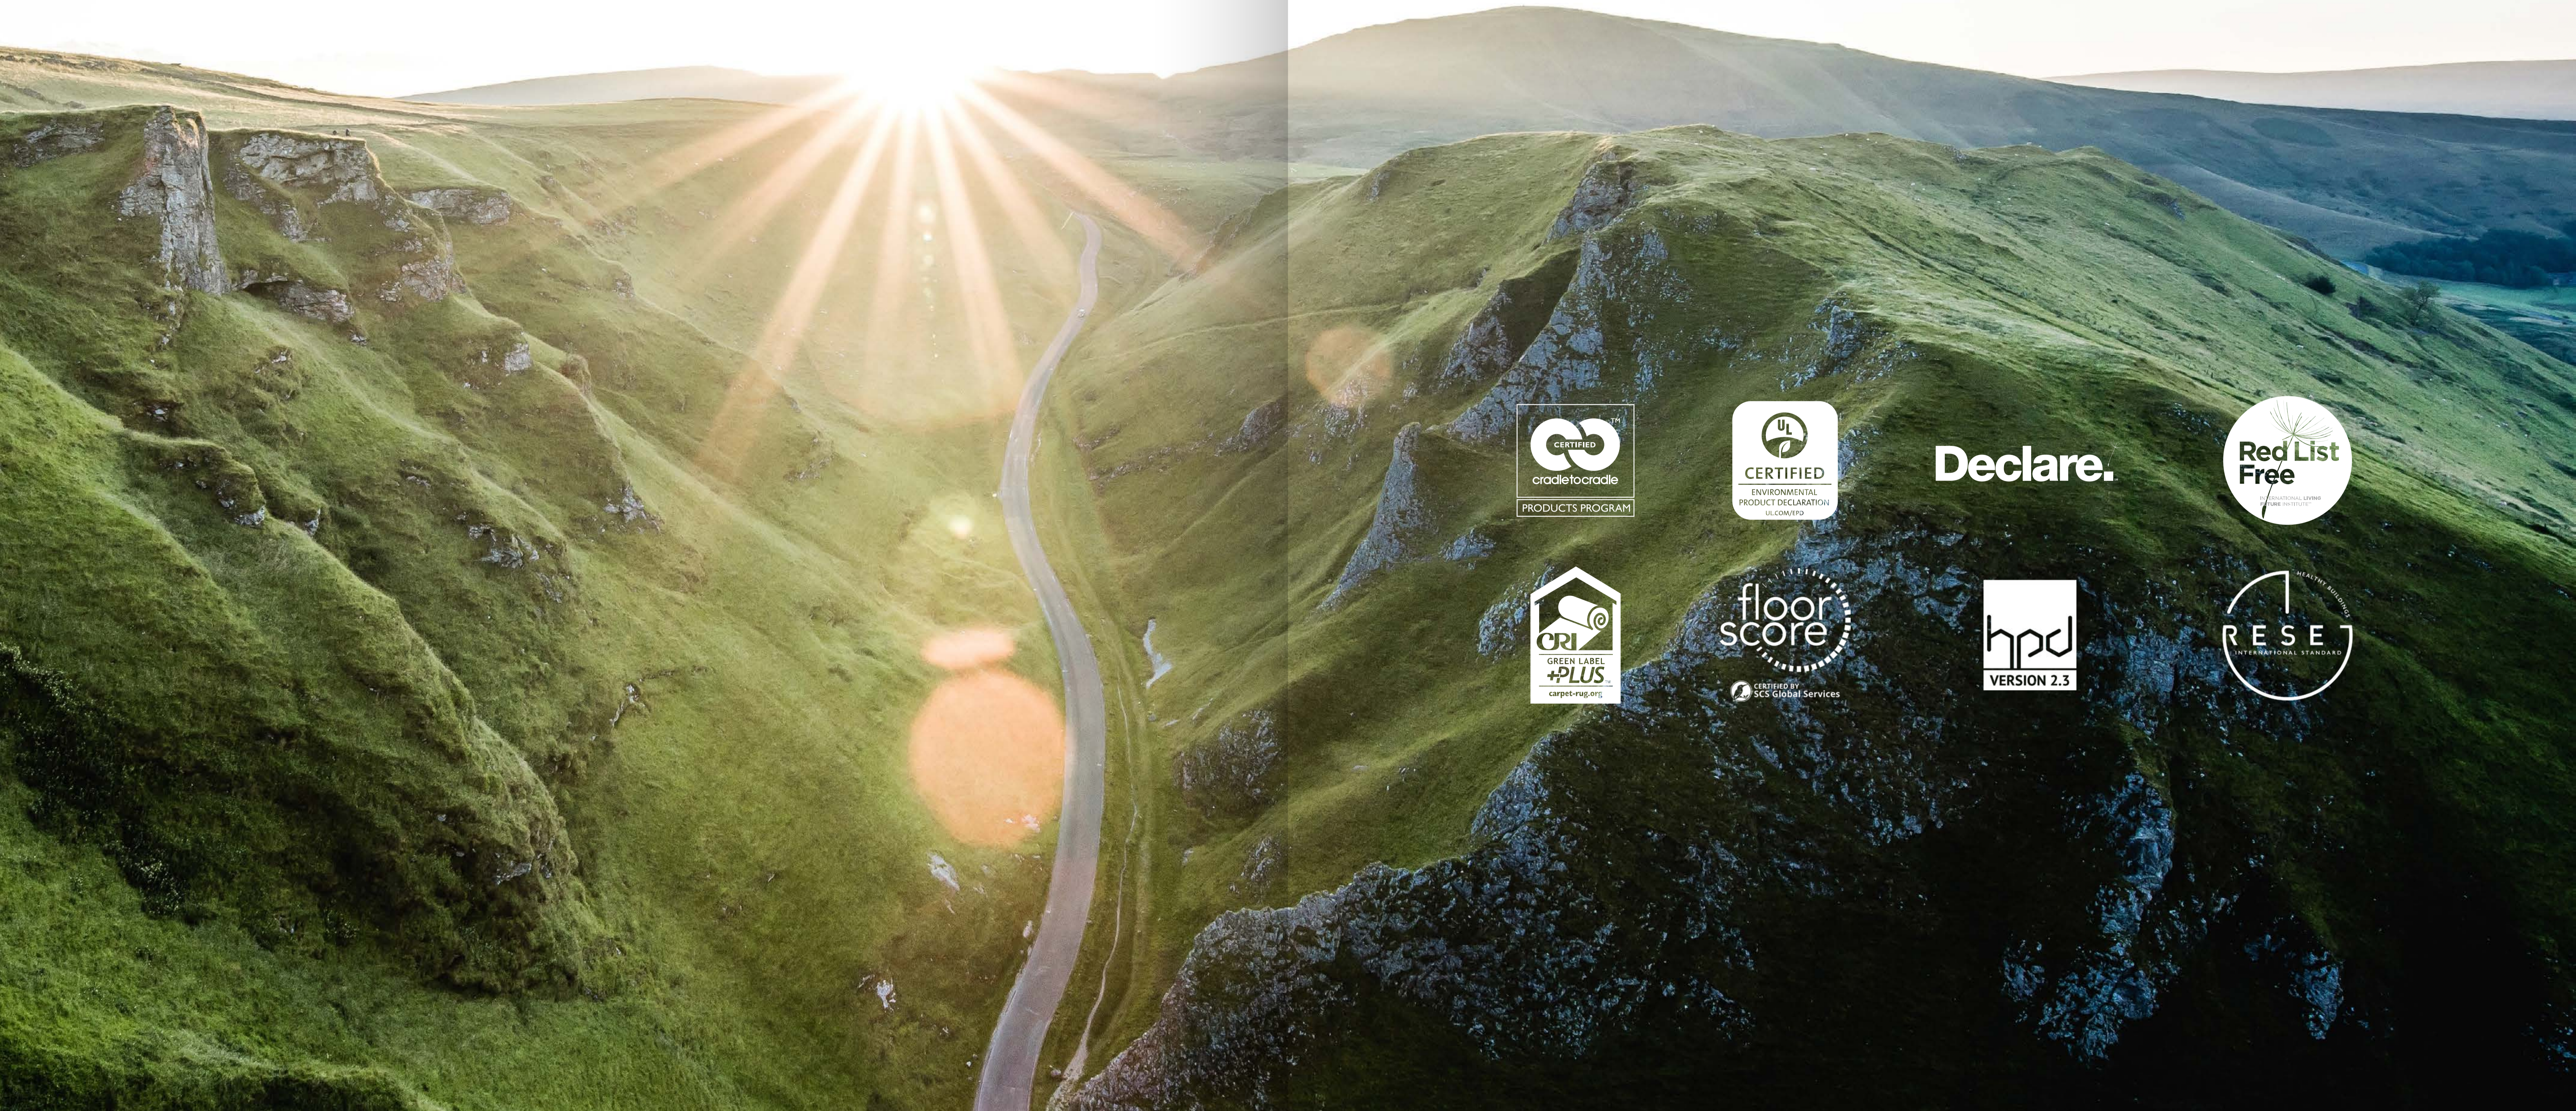

CARBON NEUTRAL PROGRAM

Climate change is one of the greatest threats facing humanity. Today, our carpet, LVT and entryway tiles are carbon neutral everywhere in the world. We invite you to learn more about the significant changes we've made, then let's work together to design a better future.

HEALTHY MATERIALS

MILLIKEN PRODUCTS ARE DECLARE REDLIST FREE

We believe third-party verification is critical for transparency with sustainable products and practices and we go the extra mile to ensure all of facts are certified by respected experts around the world. These expert validations include global and regional certifications such as Declare®, Environmental Product Declarations, ISO certifications, and list of other product and operations-based reviews.
