SPECIFICATION SHEET DATE: 02/07/2026

MIXED FORMATIONS (FLEXFORM™ LVT)

Made of Stone

Milliken LVT Flooring System

Acoustic Value	Impact Sound Pressure Level - Ln,w = 67dB

Construction	High Performance FLEXFORM™ LVT
Finish	ProGuard™ Reinforced Polyurethane Coasting
Wear Layer Thickness	0.55mm
Tile Size:	18” x 36” (45.72cm x 91.44cm)
Overall Thickness	5mm
Edge Profile	Micro Bevel
Recyclable	100%
Pieces Per Box	6 pieces
Weight Per Box	24.52kg
Quantity Per Box	2.51m^2
Environmental	Declare
	M/PACT™ Carbon Neutral Program
	Environmental Product Declaration (EPD)
	GreenRate Level A by Global GreenTag
	Best Environmental Practice PVC
	Works with WELL

Critical Radiant Flux (AS ISO 9239-1)	10.4 kW/m^2
Smoke Rate (AS ISO 9239-1)	115%.min
Use Classification (ISO 10582)	Class 33 Heavy Duty Commercial
Slip Resistance Classification	P3 & R10
Heat Stability of Colour Change (ASTM F1514)	PASS
Light Stability (ASTM F1515)	PASS
Static Coefficient of Friction (ASTM D2047)	PASS
Determination of Dimensional Stability & Curling after Exposure to Heat (ISO 23999)	≤0.25%; Curl ≤2mm
Resistance to Chemicals (ASTM F925)	PASS
Residual Indentation (ISO 24343-1)	≤0.1mm
Static Load Limit (ASTM F970)	PASS
Castor Chair Resistance (ISO 4918)	PASS
Flexibility (ISO 24344)	PASS
Colour Fastness to Light (ISO 105-BO2)	≥6

Recommended Installation Methods	Glue Down
Recommended Area of Use	Commercial | Residential
Warranties	20-year Limited Commercial Wear Warranty

WORKS WITH WELL

Milliken's commitment to advancing products and solutions that support human health and well-being is long-standing.

As a founding member of the **Well Living Lab** and a **Well Portfolio Member**, we aspire to design products that enhance the well-being and quality of life of indoor spaces.

We are proud to have been granted the **Works with WELL™** licence across an extensive selection of our global product portfolio, demonstrating how Milliken floor covering products align with specific strategies in the WELL Standard, the leading global standard for health and well-being.

The Works with WELL trademark licensing program recognises products and solutions that contribute to achieving specific features in the WELL Standard. Products that have earned the Works with WELL mark have been validated through one or more review cycles to give specifiers the maximum confidence in their material selections, whether working on a WELL-certified project or simply wanting to ensure they are adopting best practices for healthy, sustainable, people-first spaces for their clients.

CONCEPT		FEATURE	FEATURE NAME
	WATER	W07.2	Design Interiors for Moisture Management
	MATERIALS	X01.1	Restrict Asbestos
		X05.2	Select Compliant Architectural and Interiors Products
		X06.2	Restrict VOC Emissions from Furniture, Architectural and Interior Products
		X07.1	Select Products and Disclosed Ingredients
		X07.2	Select Products with Enhanced Ingredients Disclosure
		X08.1	Select Materials with Enhanced Chemical Restrictions
	MIND	M02.1	Provide Connection to Nature

Driven by the global demand for healthier places and healthier organisations that support people to thrive, WELL adoption has grown exponentially since its launch in 2014. WELL strategies have been used in over 5 billion square feet of space, supporting the health and well-being of an estimated 17 million people in more than 74,000 locations spanning over 130 countries.
