Additional Comments: _____

MATERIAL PICTURES REQUIREMENT: Please send pictures of flooring face and backing to N/XTLifeNA@milliken.com, with your project name in the subject line.

Receiving requirements will be provided after form submission. Please contact us with any questions.

Continuing our heritage of over a century of environmental stewardship, Milliken is pleased to offer a variety of programs to support carpet reclamation. To receive a quote, please complete the requested information and e-mail us the finalized application. We'll contact you with a reply. And as always, if you have any questions, you may e-mail us at millikencarpet@milliken.com or call our customer concierge service at 1.800.824.2246.

FULL SERVICE REMOVAL/RECLAMATION

Too busy to worry about removal/reclamation? Let our network or partners provide full service removal and landfill diversion services so you can concentrate on the installation of your project.

TRAILER SERVICE

Instead of renting dumpsters and disposing of your carpet into the landfill, call us to have one of our partners provide you with a 53' trailer. The trailer will be picked up at your loading dock and will hold approximately 2,600 yards of carpet each. We may be able to provide other options depending on the job site or pickup location.

PICK UP SERVICE

Our most popular service. Our partners may be able to provide pick up services. Carpet must be palletized, shrink-wrapped and loaded by client. There will be an hourly labor charge added to your invoice if the partner's staff must load the carpet. A full packaging requirements list will be provided with your request form.

SPECIFICATION WRITING

Let us help you write a CSI Format specification that includes alternatives to disposal. Payment arrangements must be agreed upon prior to service appointment. Upon payment of the invoice, we will send you an Environmental Stewardship Certificate for the reclaimed carpet.
