

PRIMA

RIGIDFORM™ LVT

Embrace an elevated, natural aesthetic that seamlessly blends form and function. Prima rigid flooring is inspired by hues and textures found in nature, combined with resilient construction that performs beautifully. Precision embossing enhances the graining for a more natural look and feel. Embodying a hardwood aesthetic, each color is available in 2 plank sizes and serves as the foundation of upscale hospitality interiors.

1 PROGUARD™ REINFORCED POLYURETHANE

Provides superior stain and scratch resistance, and eliminates the need for polishes and waxes allowing reduced maintenance costs and improved IAQ.

2 HEAVY COMMERCIAL WEAR LAYER

Transparent embossed 0.55 mm wear layer provides protection and appearance retention in demanding commercial environments.

3 PRINTED LAYER

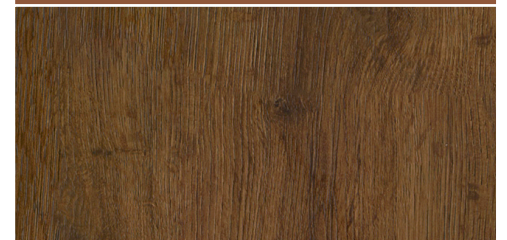

High-resolution printed film delivers stunning realistic visuals of wood and stone.

4 INTERLOCKING RIGID LAYER

This stable layer provides unsurpassed durability that also hides subfloor imperfections, with a locking mechanism that allows for quick and easy adhesive-free installation.

5 INTEGRAL ACOUSTIC BACKING

Pre-attached underlayment minimizes sound, is shock absorbent, and further assists with concealment of subfloor imperfections.
