

NEVER UNDERESTIMATE
THE POWER OF STRIPES.

**EXPERIENCE THE RELIABLE AND BOLD SIGNATURE®
STRIPE NAPKIN FROM MILLIKEN.**

Old Glory isn't the same without stripes. And neither are your customers' tabletops. Our 18" X 22" Signature® Stripe bistro napkins look better, hold their color and don't bleed like the competition. Plus our stripes offer the same features you've come to expect from Signature: soft hand, less lint, consistent colors, great soil release and very little shrinkage. To learn more, call your Signature® supplier or Milliken® LST representative.
