Perfect. Let's compare these combinations side by side using the **SPLIT SCREEN** view

Navigation icons: back, forward, zoom in, zoom out, rotate, download, print

Notice the two saved rooms are in the preview window to the right with arrows left and right.

Load the Monolithic Installation with one colour into the right side of the display by clicking the arrow.

You can load any saved combination for this room into either the left or right side of the screen and drag the "handle" back and forth.

Note that the left side is the "active side" allowing you to order samples, zoom, print, etc.

Let's explore the bottom buttons
Click **ZOOM**.

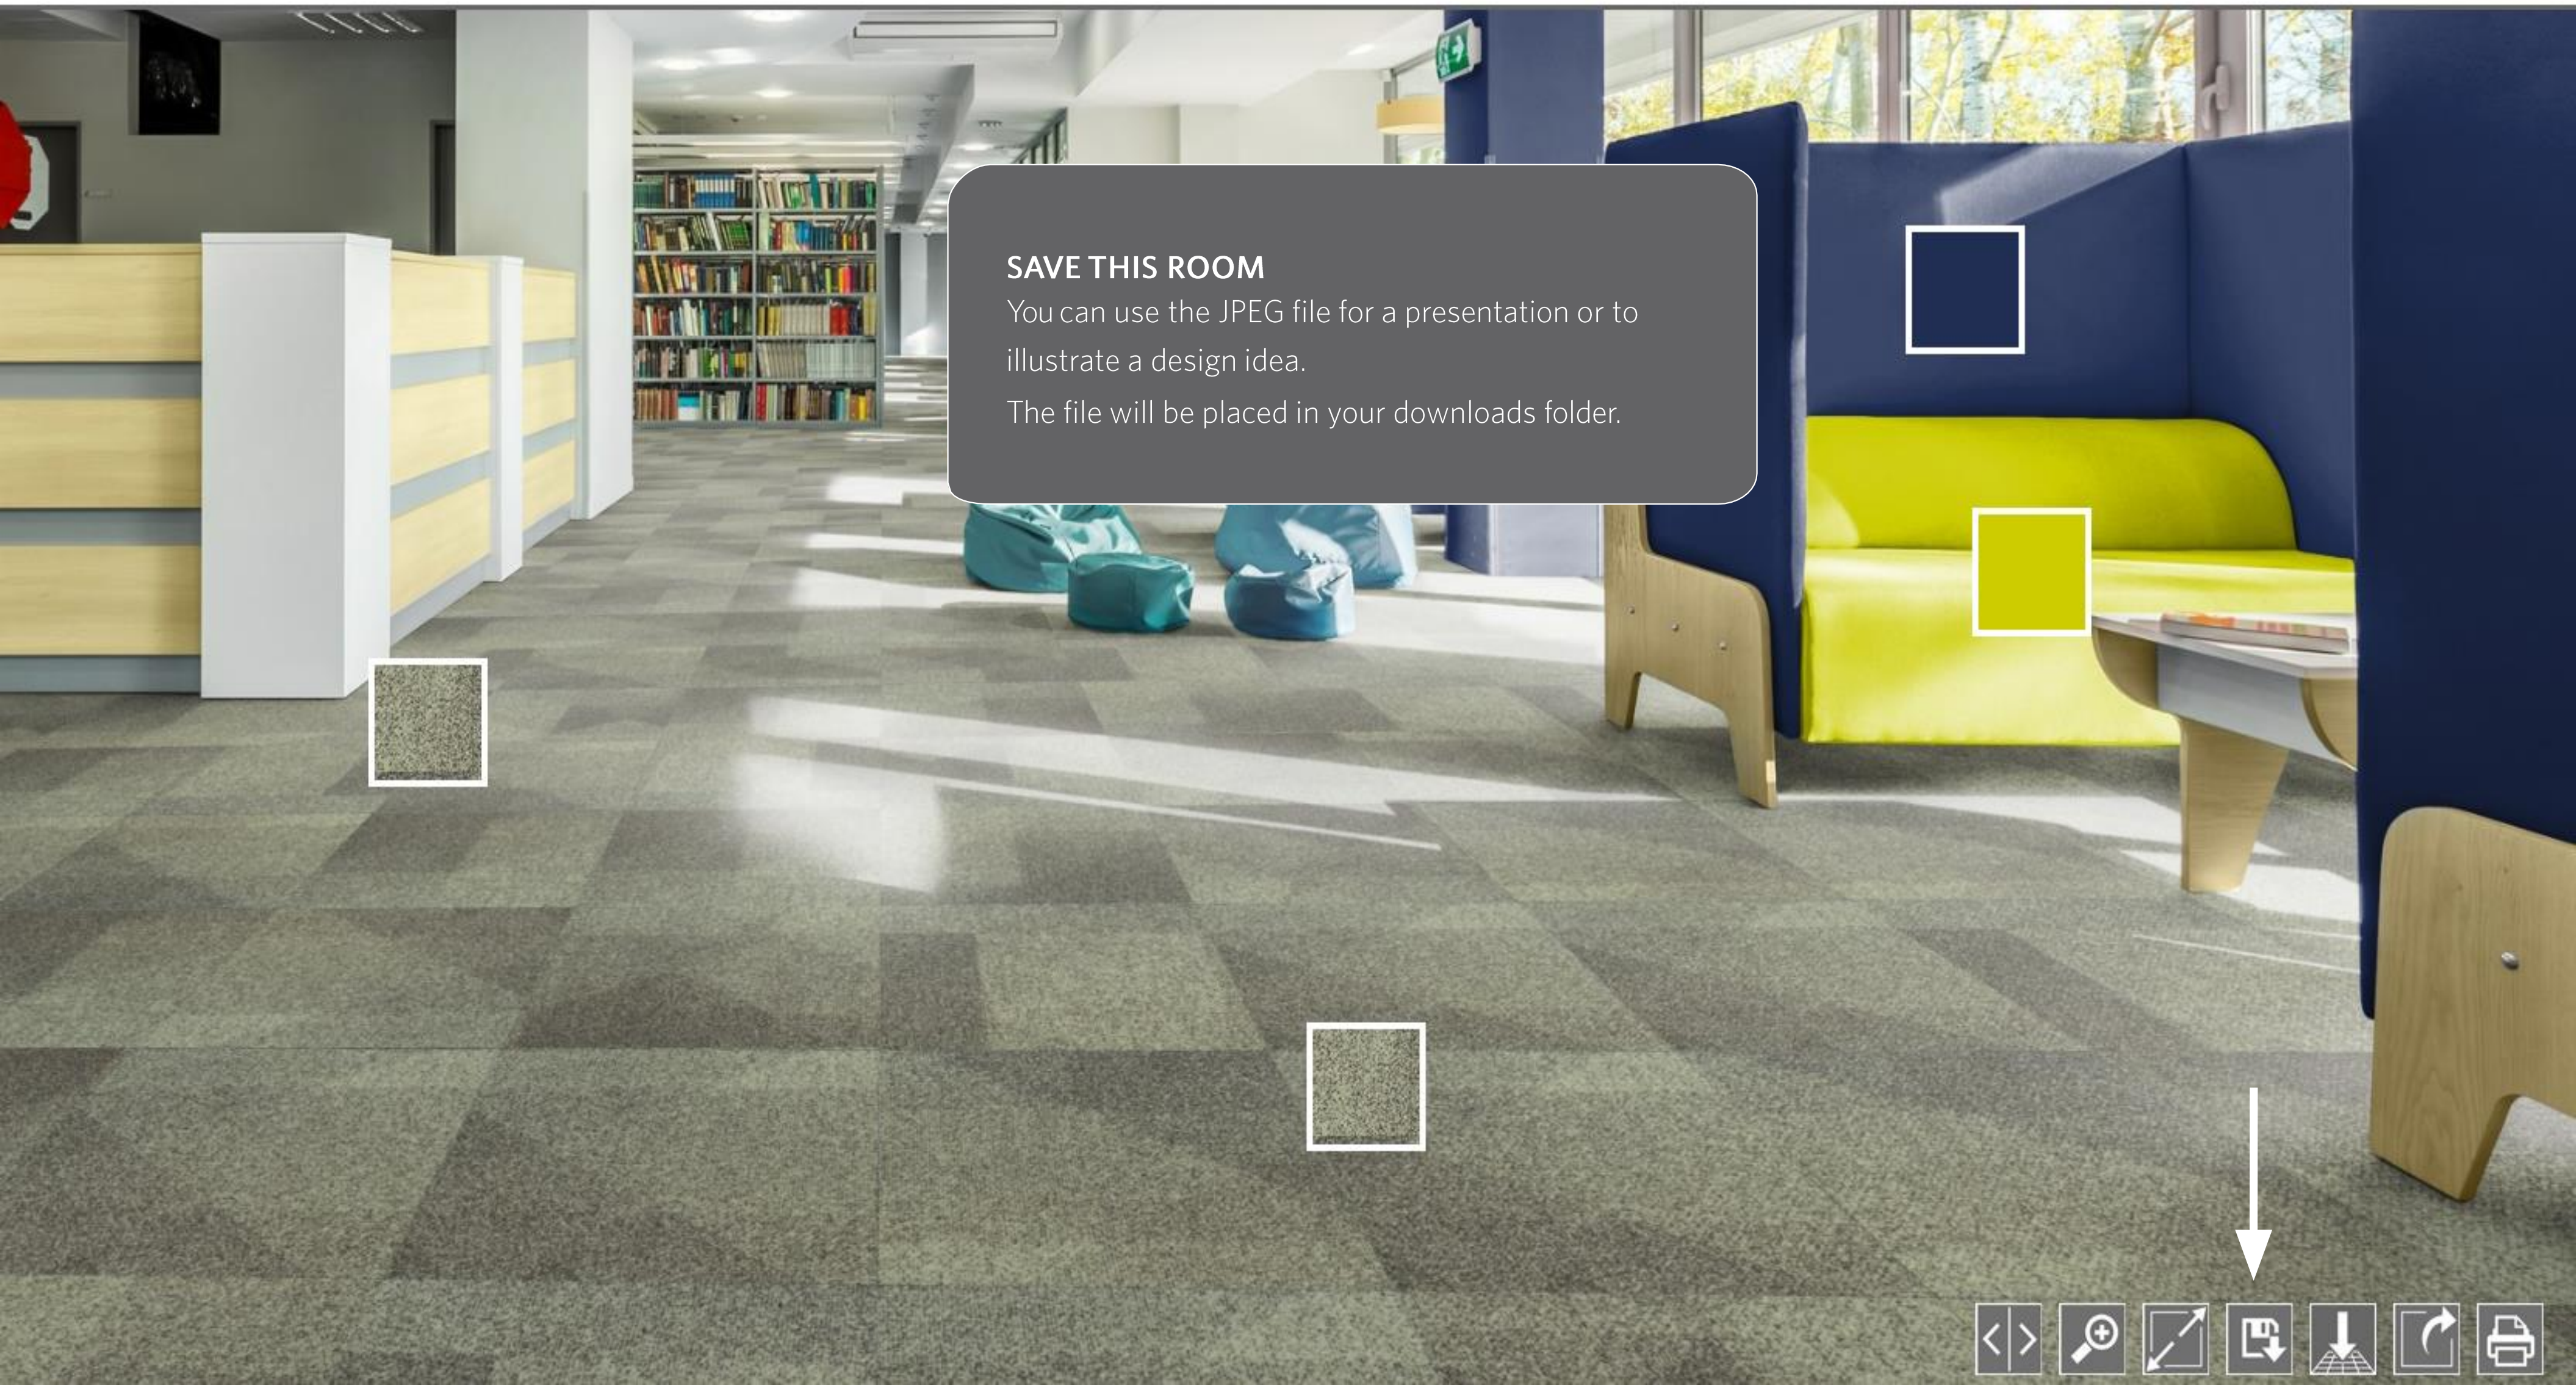

The box within the zoom preview can be dragged to any location on the image to see the details.

To close this view click on **EXIT ZOOM** button or  the icon

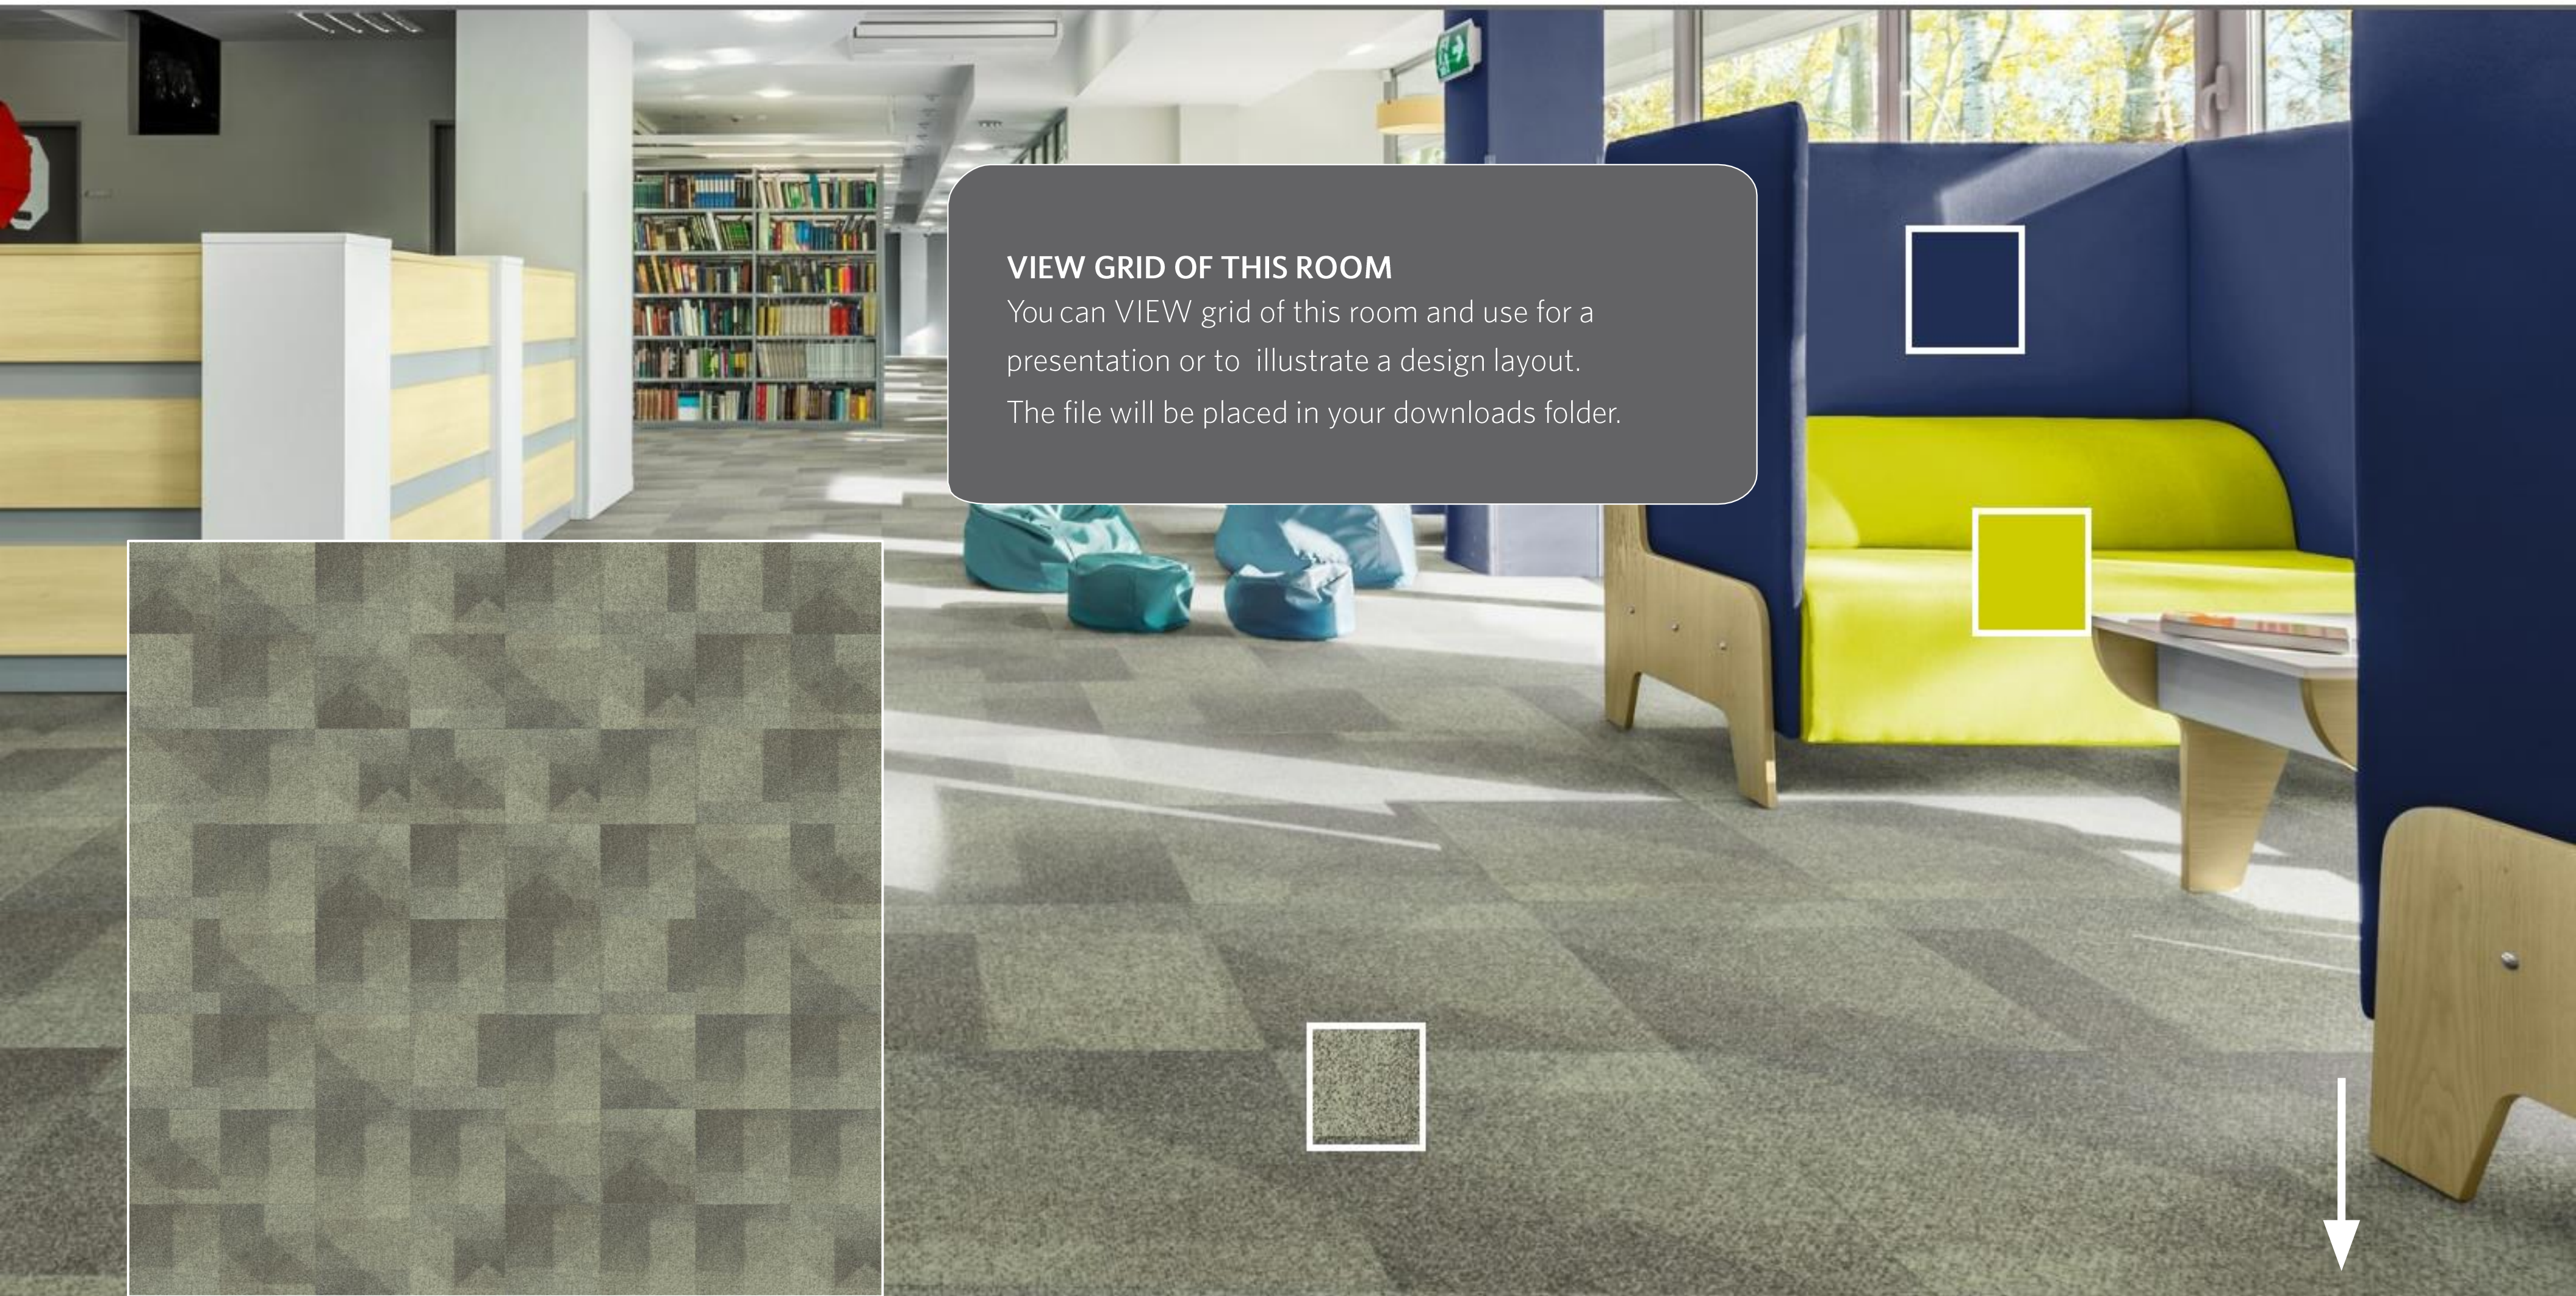

Exit Zoom

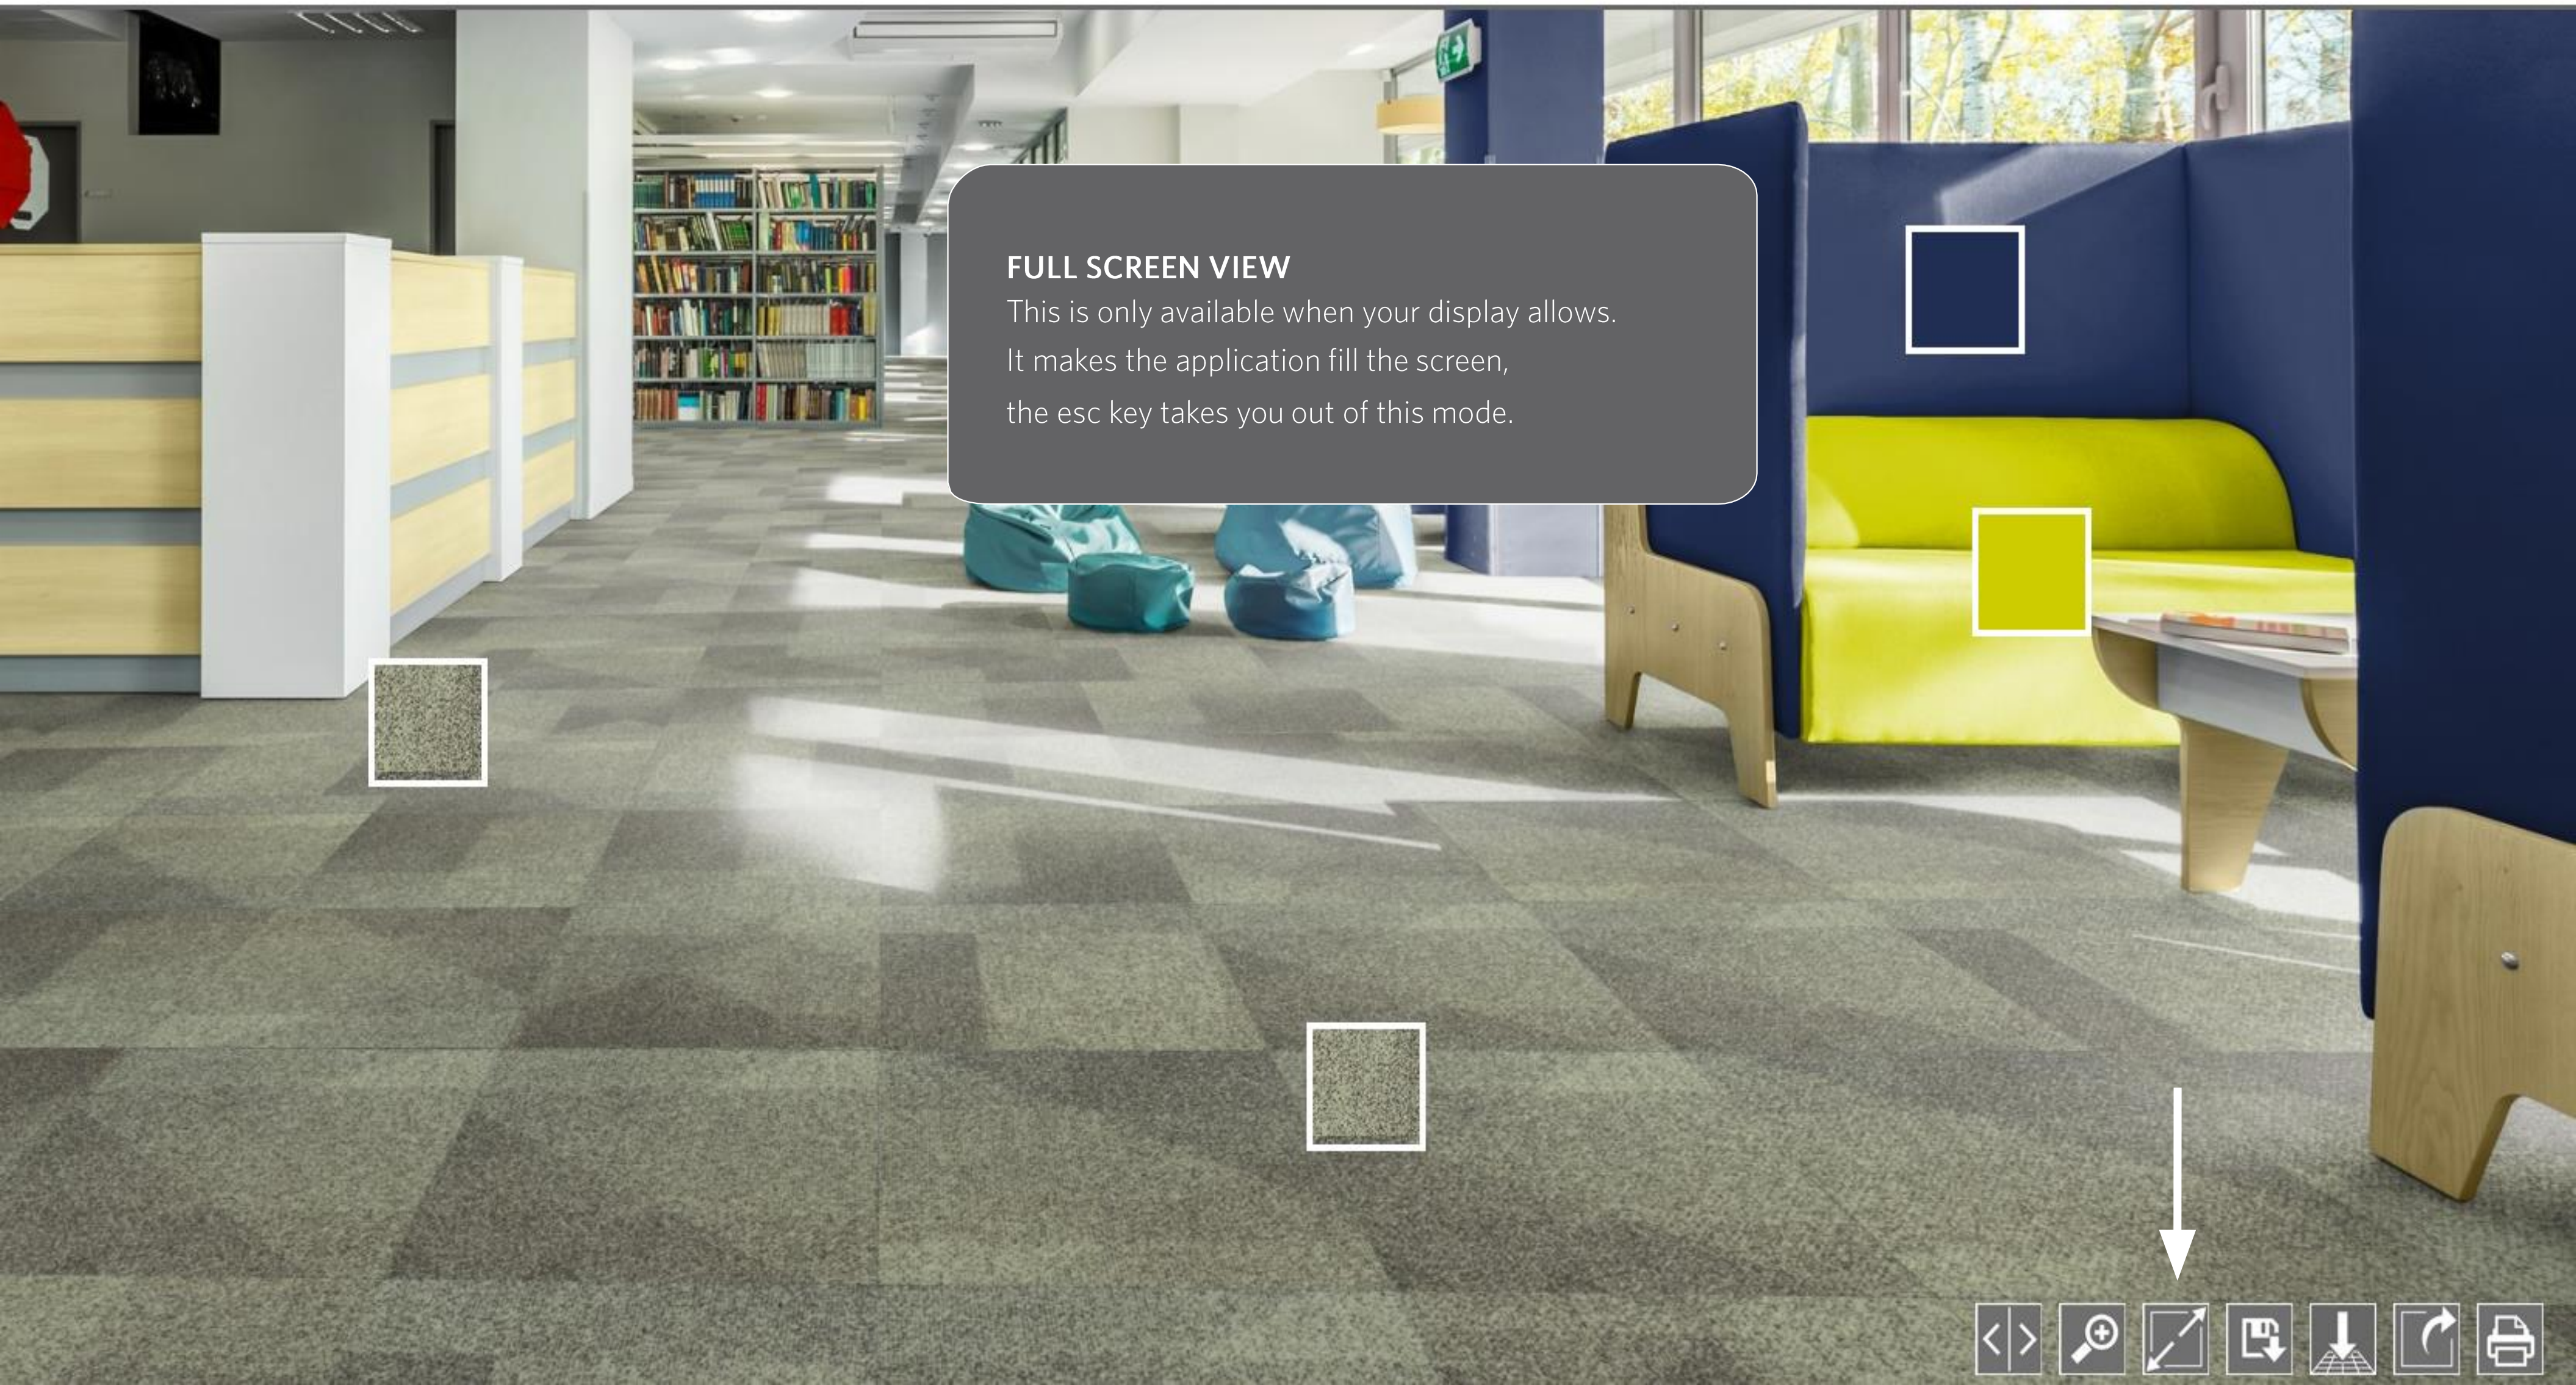

SAVE THIS ROOM
You can use the JPEG file for a presentation or to illustrate a design idea.
The file will be placed in your downloads folder.

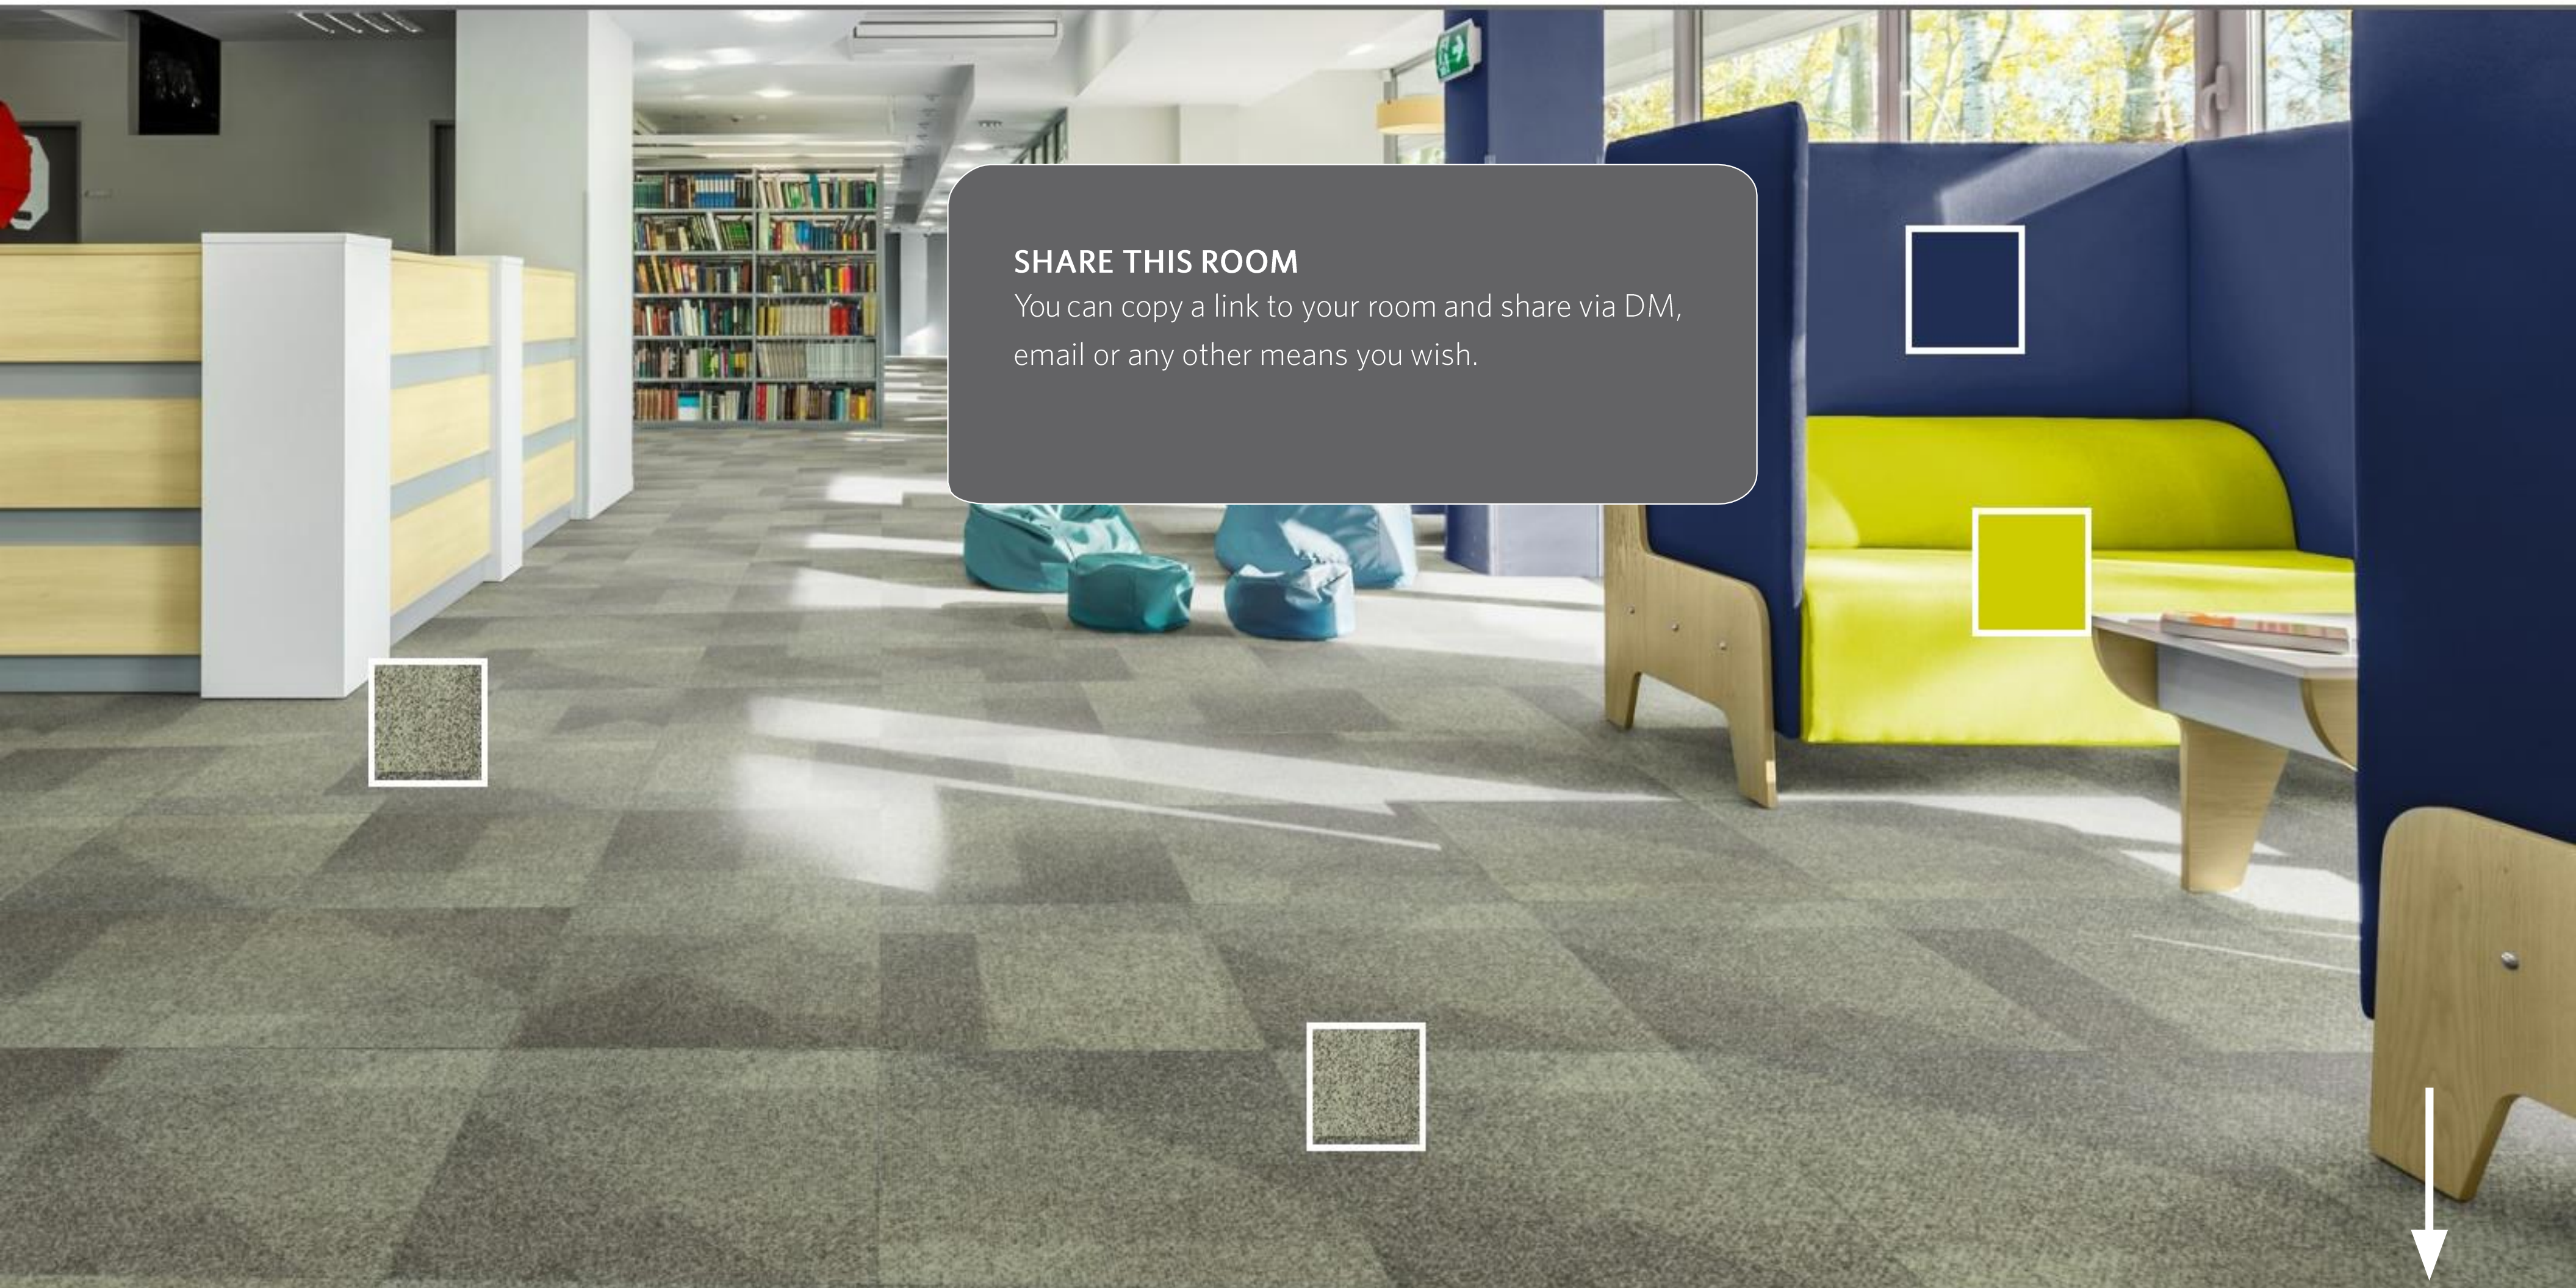

VIEW GRID OF THIS ROOM
You can VIEW grid of this room and use for a presentation or to illustrate a design layout.
The file will be placed in your downloads folder.

FULL SCREEN VIEW
This is only available when your display allows. It makes the application fill the screen, the esc key takes you out of this mode.

SHARE THIS ROOM
You can copy a link to your room and share via DM, email or any other means you wish.

PRINT THIS ROOM
You can print your room.
