

Milliken Commercial Resilient Flooring Warranty

These warranties are subject to the Warranty Terms and Conditions provided at the end of this document and apply only to commercial Resilient Flooring products sold by Milliken Asia Pacific. Details about the test methods supporting these warranties are available upon request.

WARRANTIES APPLICABLE TO ALL MILLIKEN COMMERCIAL RESILIENT FLOORING:

Milliken Resilient Flooring products when installed in a commercial area, regardless of commercial use designation, must be installed by a professional flooring contractor to validate this warranty. No exclusions or exceptions will be made to this clause.

Milliken warranties cover the cost of material for the period of the warranty and reasonable labor costs only when and if a professional flooring installer was paid to install the original material.

Manufacturing Defect Warranty

Milliken warrants that the Milliken Collection of Resilient Flooring will be free from manufacturing defects for a period of 1 (one) year from the date of purchase. If such defect occurs, upon verification of the defect by Milliken, Milliken will authorize reasonable cost for the repair or replacement of the affected area of installed flooring.

Wear Warranty

Milliken warrants that the installed product will not wear through to the printed film layer for a period of time as defined below. Wear through is defined herein that the wear layer is sufficiently depleted so that the printed film layer is damaged or affected. Milliken will provide 100% material and labor within 1 year of purchase, and 50% labor within year 2. For wear warranty defects reported to Milliken after 2 years of purchase and within the product specific warranty period stated below, Milliken will provide 100% material. Reasonable labor cost based on product usage will be considered for defects reported between year 3 and the final year of the product warranty period.

In no event shall Milliken be liable for incidental or consequential damages, whether in contract, warranty, negligence, strict liability, or otherwise. Purchaser's exclusive remedy for any and all losses or damages resulting from defective resilient flooring product shall be the repair or replacement of the resilient flooring product in the affected area, as determined by Milliken in its sole discretion. Milliken reserves the right to inspect any flooring and installation deemed to be suspect to manufacturing defects.

The selected remedy shall reflect the previous usage of the resilient flooring product and may take the form of credit toward future purchases. This shall be the purchaser's sole remedy. If replacement is chosen by Milliken as the appropriate remedy, Milliken will pay the reasonable costs for such replacement. Replacement must be performed by Milliken or a Milliken-approved vendor. Milliken's obligation hereunder shall not include payment of any indirect costs or incidental or consequential damages arising from replacement or repair. Purchaser must provide reasonable cooperation to facilitate Milliken's repair or replacement in the affected area. If any resilient flooring product is replaced as part of the remedy, the replacement will be made with a current, comparable Milliken resilient flooring product. Warranty coverage is limited to the original purchaser of the resilient flooring product (which includes anyone purchasing resilient flooring product through a dealer) and is not transferable. Milliken requires the original sales receipt or other sufficient documentation, as determined by Milliken, as proof of warranty coverage.
