# It takes humans to protect humanity.

Make changes to end climate change.  
**Design a better future.**

**M/PACT™**  
CARBON NEUTRAL PRODUCT

M/PACT carbon neutral products offset the raw materials and manufacturing carbon footprint\* by using 3rd party Verified Carbon Standard Credits that support renewable energy and carbon reduction technologies to help fight climate change. When you choose M/PACT products, you can be sure your choice is carbon neutral.

- All carpet, LVT and entryway tiles are carbon neutral.
- We're investing in renewable energy.
- We're investing in more efficient manufacturing technologies.
- We use safe material to ensure end-of-life product recycling.
- Manufacturing around the world reduces shipping.

**Together, we can make a positive M/PACT on the world for generations.**

Scan to learn more about our carbon neutral program.

\* As calculated and verified scope A1-3 GWP through a ISO14025/ISO14040 compliant LCA and published in third party EPDs.

**TRACTIONBACK**  
Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

**SHOWN ON THE COVER**  
(Back) Urban Portrait in Chartreu Flint.

Images in this brochure are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
