## WARRANTY TERMS AND CONDITIONS:

---

The following terms and conditions (the "Warranty Terms and Conditions") apply to all warranties made by Milliken (Australia Pty Ltd) for hospitality carpet sold by Milliken. These Warranty Terms and Conditions and related warranties do not apply to non-hospitality installations.

The warranties provided herein are in lieu of any and all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose. These warranties are subject to the limitations and exclusions set forth in these Warranty Terms and Conditions and in the individual warranties. These warranties only apply to carpet installed in accordance with Milliken's then current published instructions for installation and orientation (which are specific for each carpet product), installed in an indoor hospitality environment and properly maintained in accordance with current, published Milliken specifications. These warranties shall not apply to carpet which has been placed in storage for extended periods, exposed to temperature extremes or bent or deformed. Additionally, these warranties do not cover damage arising from any use that is different from the normal, intended use of carpet, including, but not limited to, (i) damage caused by chlorinated or any other solvent-based cleaning agents; (ii) damage caused by exposure to substances or contaminants which degrade or destroy color in carpet; (iii) damage caused by use of inappropriate maintenance methods or unapproved maintenance service providers, (iv) damage caused by, sharp objects and the like; (v) damage caused by the installer or the workmanship of the installer; and (vi) damage arising from the condition of the sub-floor (i.e. undue moisture). Milliken is not responsible for any change or modification to the carpet which might occur after it leaves Milliken's premises, including, but not limited to the presence of chemicals or materials which were not specified as components of the carpet. In no event shall Milliken be liable for incidental or consequential damages, whether in contract, warranty, negligence, strict liability, or otherwise. Service properties such as pile shading, pile crushing, being used as a traffic lane, wear or abrasion and other similar properties are not defects and such properties are not warranted.

Warranty periods, whatever the length and wherever referenced in this document, begin at the date of the applicable invoice.

Purchaser's exclusive remedy for any and all losses or damages resulting from defective carpet shall be the repair or replacement of the carpet in the affected area, as determined by Milliken in its sole discretion. The selected remedy shall reflect the previous usage of the carpet and may take the form of credit toward future purchases.

This shall be the purchaser's sole remedy. If replacement is chosen by Milliken as the appropriate remedy, Milliken will not be responsible for additional charges including but not limited to (i) labor, (ii) the removal of furniture, partitions, temporary walls and the like which are located on, above, or around the carpet installation, or (iii) any ancillary fees or costs, including, but not limited to building charges for use of elevators, air conditioning, utilities, after-hours access or charges for freight, shipping or handling. These additional expenses shall be borne by the purchaser. Replacement will be made with a current, comparable Milliken carpet.

Milliken requires the original sales receipt or other documentation as proof of warranty coverage.
