Confirmation regarding Assure

To whom it may concern,

OEKO-TEX® hereby confirms that the product Assure, produced by Milliken & Company uses flame retardant products in production which are listed on the OEKO-TEX® white list of accepted active chemical products. The flame retardant product has undergone toxicological risk assessment and may therefore be applied to products which are to be certified under OEKO-TEX® certification.

Best regards,

Dr. Alfred J. Beerli
CEO / General Manager

A handwritten signature in black ink, appearing to read "A. Beerli", is written over the printed name and title.
